

Potala Tibetan Buddhist Meditation Centre

As a small non-profit charitable organization we rely on our membership dues to cover operating costs for the year. Our major expenses are: organizing retreats (which include travel costs for our teachers) and purchasing new resources for our library. Monies raised from our fund raising efforts are donated to: Gaden for the West and Gaden Relief Projects. We offer a reduced membership fee to those who can not afford to pay the full fee.

As a member of Potala you are able to: borrow books from our library, and get a reduced fee for retreats in Thunder Bay or at any of Rinpoche's other centres. More importantly, you will be helping to keep Dharma alive and flourishing in Thunder Bay.

Thank you for your ongoing support.

Charles Bryan, President
